## LOCAL JOTTINGS

Have you called for your sewing at the Patriotic office?

BORN—T. Mr. and Mrs. A. Ross, on Saturday February 8th, 1916, a son.

The Rev. A. Bayld of Gleichen, spent Friday and Saturday in town on church business.

Mr. Stockton, and Mr G. T. Berry left on Sunday afternoon for Calgary. They were on business b.t.

Mrs. Harold Wright and daughter of Calgary, are spending a few days in town, being the guest of her sister, Mrs. Lodgemill.

The Presbyterian Ladies Aid will meet at the home of Mrs. Lodgemill on Tuesday afternoon, Feb. 13th. All members are requested to be present as there will be an election of officers.

The newly formed branch of the Boy Scouts had their first route march of the season on Saturday last when they marched out as far as Eagle Lake. The Rev. Mr. Hall has the training of the boys in hand.

Entries for the Monthly Auction Sale under the auspices of the Strathmore Patriotic Fund may be sent to the Secretary, Phone 4207, T. Gatenby, Phone 28, W. E. Brown, Phone 30, and the Editor, Phones 17 and 68.

The Jewellery stock of J. W. Winspear which was sold by the Barriff on Saturday attracted a large crowd of eager buyers. The sale will be concluded on Saturday afternoon next, Feb. 12th commencing at 2 p.m. at the same place.

Mrs. King has accepted a position on the staff at the local branch of the Bank of Commerce. We have often wondered why more young men are not employed by our banks. It might be an inducement for young men to open up savings accounts.

Mrs. Burton was fortunate enough to find a purse containing a sum of money on the streets of Strathmore on Saturday afternoon, but could not rest until she had found the owner who happened to be Mrs. J. P. Voerman and she was more than delighted to find that which was lost.

"The Worst has yet to come," We are informed by the weather prophets that February will be a cold month and about the middle of the month the worst storms of this season are expected. Stockmen are warned to be prepared for this storm. We do not believe very much in the weather prophets, but we pass along this information for what it is worth.

## LAST LEAVE

Hard as nails from the training camp, sturdy and clear of eye,  
With his C.O.'s pass for a forty-eight—his last  
before he ships;

A thoughtful look on his sun-brown face—  
It's a good-bye stroll round the dear old  
place,  
And there may be thoughts in the mind of him  
that never reach his lips.

The grey stone church in the village street,  
trees which he used to climb,  
The football field and the silent pool where the  
giant perch would lurk;

They are all old friends when the parting  
comes

At the rat-a-tat of the martial drums,  
And the blare of bugles calling men away to  
Honor's work:

"Farewe, Jim," from the lads who stay, shyly,  
as children speak,  
They bid a truce to their noisy fun, yet none  
could answer why;

But there lies a word of eloquence  
In the hand clasps lingeringly tense,

It's a mutu "Good Luck! Come back again,"  
and the Last Leave minute fly.

Mother's hug, and a strangled sob, smiles from  
the lad who goes;

The happy look on his brave young face paints  
Duty as a joy,

"I'll be sure to write when we've landed  
there."

A throw-back kiss; then a mother's pray'r  
To the Lord of Hosts in Peace and War,  
"God guard and bless my boy!"

--F. Fitzgerald, in the London Chronicle."

Mrs. W. E. Brown, treasurer of the local Patriotic Fund, desires to acknowledge receipt of the following donation:

Mrs. Steckley, \$2. Thos. Mur-

phy Namale, (per Mr. W. W. Winspear), \$5,000 Arch. McLean

\$10,000 Collection taken at Mr. Ottewell's lecture, \$12.65.

We are in receipt of a letter from Harold W. Riley, of Cal-

gary in which he states that owing to the severe winter and un-

certainty of train service, etc., it

has been thought advisable to

postpone his visit to our town re-

recruiting for the 12th Battalion,

until a later date. Due notice of

which will be given.

On Friday evening last, another  
very successful dance was held

in the Opera House, under the

auspices of the Opera House

committee, in fact we were

at the most pleasant

parties of the season. The five

piece orchestra was in attendance

and provided all the latest

dance music in very creditable

style. There were almost forty

couples present, everyone partici-

pating in the dances which com-

menced shortly after nine o'clock

and continued until 10.30. A dainty luncheon was served about

midnight. Dad Tibbles who is

a past master in the art of making

coffee, excelled himself on this

occasion, and more than main-

tained his reputation in this respect. The next dance will be held on Friday February 16th.

Was one of the first friends that he

his personal views on the war at the present time and indicated that the struggle had only just begun and he did not know what it would end, but thought that the struggle might be of great duration than he had at any idea of. He brought home the application by stating that all men who were fit and who could really serve their King and Country should not hesitate to rally to the colors, for he thought every available man should be in such a position as to be able to fit his share to crush German militarism.

He then unveiled the Roll of Honor.

After the singing of a hymn, the Vicar (Rev Mr Hall) then spoke a few personal words. He stated that he had thought of the remarks that he would make on this occasion would have been addressed to a large number of men who had enlisted or who had enlisted for service overseas, and on the date set for this ceremony over eighty of these young men who were stationed at Calgary had received permission to have leave of absence for a few days and had accepted it, but the weather had been so severe that the ceremony had been postponed. He spoke of the names of some who had died and what he thought it ought to stand for. He thought it should stand for an act of prayer. Prayer to God at all times for the names of the boys who were of this parish and whose names were inscribed thereon. It should stand for a memorial. It would always be in the House of God. It should also be a reminder for a remembrance. A very touching speech was made by one man opposite which was written off Killed in action, "that of Sergt. Wilkins, who just about a year ago made the supreme sacrifice at Ypres. The Vicar expressed the hope that it would not be necessary to have to add this inscription opposite any other names on this Honor Roll. He then spoke of the war and the principles which were stated. Some were asking the question as to whether God was on our side, but he would prefer, like the late President Lincoln, to ask ourselves the question "Whether we were on God's side." He also thought that every man who could should enlist and those who were not able to do so should do their duty by paying taxes.

After the Vicar had spoken, a special hymn was sung to the tune of "Eternal Father," which had been composed at the outbreak of the war by the Rev R. L. Dods, Vicar of Selby Abbey, Yorkshire, Eng.

The whole service and ceremony was a very impressive one and will long live in the memories of those who witnessed it. The Mayor, Mr. Lambeth officiated at the organ in his usual efficient manner.

At the close of the service joined in the singing of the National Anthem "God Save the King."

The following are the names inscribed upon the Honor Roll—

Arnold, J. A., Atkinson, R. L., Berkley, J., Berry, B., Burton, P., Burton, F., Brown, F., Colinson, H., Cottrell, J., Cockrell, J., C.

## BUY AN IRRIGATED FARM

FROM

THE CANADIAN PACIFIC RAILWAY

BECAUSE—

Irrigation makes the farmer independent of rainfall, and insures good crops, not occasionally, but EVERY YEAR. Irrigation makes possible the successful culture of alfalfa, the most valuable forage crop, and insures a steady income from mixed farming.

Irrigation makes intensive farming and close settlement possible with all the advantages of a densely populated agricultural community.

Irrigation in the Canadian Pacific Railway Irrigation Block is no longer an experiment, the year 1914 having absolutely demonstrated its value.

You can buy irrigated land from the Canadian Pacific Railway at prices ranging from \$35 to \$75 per acre, with twenty years to pay for the land, interest at 6% per annum, and a nominal payment of \$10 per acre to be paid at the end of the first year. Assistance is given in securing state approved loans.

This is the most liberal offer of irrigated farm land on record. Get full particulars.

FRIDAY, FEBRUARY 9, 1916

Special attention is directed to the farmer readers of this paper to the advertisement in this issue regarding meetings of the Farmers' Institute, held under the auspices of the Provincial department of Agriculture. Mr. Don H. Bark of Strathmore will speak at the place and date named and his subject will be the Production of forage crops, especially that of Alfalfa. Mr. Bark is an entomologist and has been interested in the subject of the raising of these forage crops from a personal standpoint in Alberta, and he is more than pleased with his experiments and personal observations. You will get the benefit of his experience by turning out and listening to the addresses. Another speaker will address the meetings on the utilization of these forage crops for profit. The meetings will be worth while to all those interested in the subject of agriculture.

The lectures will well worth hearing and all present undoubtedly came away with a much more intelligent and comprehensive view of the great struggle that they had held previously. A collection was taken in aid of the Patriotic Fund.

The evening being brought to a close by the singing of the national anthem.

After entertaining the younger portion of the audience with a number of pictures of general war scenes, which at times were greeted with loud applause, he dispensed with his lantern and gave a very forcible address on the war, and drove home the point that the war would mean the sacrifice of men.

While he believed in the moral side of the issue, he thought that the moral side would be easily won by large armies. He did not believe in men who stated that we would win whether we put arms in the field or not, because we thought our cause was right and the right would always prevail. He believed that the war must reach this office no later than April 1st.

After the address, Principal Nidle, who had been a member of the college class of Prof. Ottewell, proposed a vote of thanks, which was humorous and sincere. This was very ably seconded by the Rev. Mr. Hall who thanked the speaker for the very clear manner in which he had placed before the people the high ideal of their duty in time of national crisis.

The lecture was well worth hearing and all present undoubtedly came away with a much more intelligent and comprehensive view of the great struggle that they had held previously. A collection was taken in aid of the Patriotic Fund.

The evening being brought to a close by the singing of the national anthem.

### "The Tea Girl."

FRIDAY FEBRUARY 25,  
AT 8.30 P.M.

Rehearsals for the above production are proceeding with the most gratifying results. The chorus of zo, cooies and tea girls, are attaining a degree of perfection in their voices and movements which would be creditable to a professional company. The choruses, of course, in harmony, and the blending of the various voices are pleasing to a high degree. All the members of this company are already well known to the people of Strathmore and surrounding district, but when the production is finally set before the public in creditable costumes of the girls and the mats dressed in the mats will make them look that looks one will have to be observant indeed to pick out any one of the chorus. The principals have been selected from the very best voices and the most talented artists in our midst and are giving the songs and dialogue in a surprising manner. The girls of this company have already taken important parts in amateur productions and their previous experience, coupled with the enthusiasm and energy that are putting into this tuneful comedy, absolutely assures "The Tea Girl" being a production which, for staging, acting, etc., will be unequalled.

These who desire a thoroughly enjoyable evening should miss this meeting on the night that this will be produced, and don't forget it is for the Canadian Patriotic Fund.

Much regret is expressed that Mr. Sid Curtis, although only temporarily employed at the Irrigation office, is leaving us for new fields. He has been an obliging and efficient official.

### Funeral Service of the Late Mr. Griffith

Walters.

Funeral services for the late Griffith Walters were held at 2 o'clock Thursday afternoon in the Baptist Church, which was filled with members and friends of the young man and his family. Relations from the college were in attendance to pay their respects to one whose untimely death is deeply deplored. Dr. W. E. Mason was in charge of the services, assisted by Rev. W. G. Gillis. The floral offerings were beautiful, the casket being buried beneath the wreaths and flowers of the young man and his family. Relations, college friends, a girl friend, Mr. and Mrs. W. E. Edmonson, Miss Marjorie Morger, and Mr. Rukkin sang "My Jesus as Thou Wilt," and "Sometimes We'll Understand," Mrs. Edmonson sang "Face to Face."

The body of the deceased was laid at rest in the tomb according to ancient rites and ceremonies. It was learned that Mr. Griffith Walters was a member of the Knights of Columbus.

Mr. and Mrs. G. V. Onionshead, Roy Cresswell, Earl Douglass, Herbert England, Floyd Benson, W. E. Rungs.

The young man was well known locally. He graduated from the engineering department at the college and for the past three years had earned considerable recognition in the employ of the Canadian government in irrigation work. He and his wife, Miss Myrtle Brothers, three years ago, and the sympathy of many friends go out to her and her two months old babe, a little daughter, who are thus early in life deprived of a worthy husband and father. His mother and a number of other relatives in the city also survive.—Fort Collins Courier.

Bar E Farm

To the Editor,--

Strathmore Standard

Dear Sir:

At the snicker on the 19th Jan., 1916

when discussing the Agricultural

and other school, I do not know

his name. Then the Provincial Gov-

ernment did not see their way clear

to place a restriction on Strathmore

in the fact that the

farmer see having trouble about their

franchise land. And that it was up

now. Sir, I do not think that the

Government, or any member of the

government, would

do all that I could to turn such a

member or government out by casting

my vote against them at the next

Provincial election. And before

I feel sure that the government

never made such a statement, for I

have known the Hon. Mr. St. John

ever since he was elected to say

that I have found him to be

every way.

But, Sir, Editions as you are aware,

we have kickers whenever we go. That

seems to be a privilege we have. But

to ask the C.P.R. to build an agri-

cultural school for us at Strathmore

is in itself a great service much from

a company that has done so much and

spent so much money to the section

section of the country.

The C.P.R. has a Demonstration

Farm here which is taking our cream,

eggs, etc., and paying the highest

prices for them. And I am sure that Mr.

Smith and his men are doing their best

to help and give any advice to us for

the asking. Then again, if the

P.C. were to have a school, why

shouldn't the C.P.R. be kicking

because of the C.P.R. would not board

the horses free of charge while attend-

ing the school. I am very inter-

ested in getting the school at

Strathmore, and as everyone knows

it could not be placed at a more cen-

tral point.

However, I would like to give my

view of getting after it. First, I

would send a telegram to the

Provincial Government

and say to them:

"I am sending you a

copy of this letter.

Secondly, I would

call on the C.P.R. and say to them:

"I am sending you a

copy of this letter.

Thirdly, I would

call on the Provincial Gov-

ernment and say to them:

"I am sending you a

copy of this letter.

Fourthly, I would

call on the C.P.R. and say to them:

"I am sending you a

copy of this letter.

Finally, I would

call on the Provincial Gov-

ernment and say to them:

"I am sending you a

copy of this letter.

That is all I have to say.

Yours sincerely,

John W. Esson.

**Council Meeting**

A regular meeting of the Town Council was held in the Council Chambers on Tuesday evening last, Feb. 1st.

Those being present were Mayor Lambert, Councillors Butler, Anderson, Lilly, Zerkle and Berry.

Minutes of the two previous meetings were read and adopted on the motion of Councillor Berry seconded by Councillor Lilly.

A communication was read from the C.P.R. with regard to some forfeited lots, and the secretary was instructed to take the matter up with the town solicitor.

Another communication was read from Mr. Harrison who has been engaged in active service who is now being treated in the hospital in England. He wrote with regard to the taxes on his property here. He was under the impression that no taxes or penalties would be collected whilst he was serving his King and Country. This impression is a false one and the secretary was instructed to forward notice of taxes due and also arrears.

The following resolutions were read: Secretary's expenses, \$2.75; Dickenson dry tags, \$2.14; Strathmore Hardware, \$7.84. Moved by Councillor Berry, seconded by Councillor Berry that these accounts be handed to the finance committee and if found correct, to be paid.

The following resolution was moved by Councillor Butler and carried: That the Hon. Duncan Marshall, Minister of Agriculture be asked to locate one of the proposed agricultural schools, about to be established, at Strathmore.

Councillor Berry then outlined the difficulty of financing the committee with regard to the Agricultural School and it was moved by Councillor Zerkle, seconded by Councillor Berry that the town will pay, if necessary, \$100.00 for expenses in connection with work done by this committee. It was suggested that the Rural Municipality of Bow Valley be asked to share the expenses along this line.

Some discussion was held regarding licenses and it was decided to take the matter up at a meeting appointed for that purpose.

Moved by Councillor Berry, seconded by Councillor Lilly that the committees remain the same as last year. Councillor Butler to take the appointments vacated by Dr. Girvin. Councillors Berry, Bremer and Anderson will therefore be the committee on Public Works, Fire and Light, and Property; while Councillors Lilly, Zerkle and Butler will be on the committee regarding Finance, Legislative, License and Police.

Moved by Councillor Berry, seconded by Councillor Lilly that the secretary be instructed to take the necessary procedure to sell the lots as per list supplied.

Moved by Councillor Butler, seconded by Councillor Berry that the secretary be instructed to proceed to collect all amounts of taxes to be paid off and that legal proceedings be taken if necessary.

This concluding the business of the evening, the Council adjourned.

**Ladies Night at

At 8:37, Captain Anderson and Captain Lodmell were introduced to the spectators, and they were cordially received and paled for their pictures amidst a tremendous burst of enthusiasm. At 8:40, Chief Inspector of Police Roach veiled "Lotto-go" and the band was on. Several plain clothes men were on hand to protect the spectators from the case in the scenes should be done.

In the first game the Stage was set quite excited, and were unable to locate the pins, so the game went to the braves without a murmur. But the Braves were decidedly off their stride the next two games—not even their best friends could say that they bowled well, while the Stags rolled in big league form, wins

and losses.
